

Our goal is to have every Medford family, not only preparing their home fire escape plans, but practicing their plans regularly with the entire family.

Step 1: Get your family together and draw a floor plan of your home, marking all windows and doors.

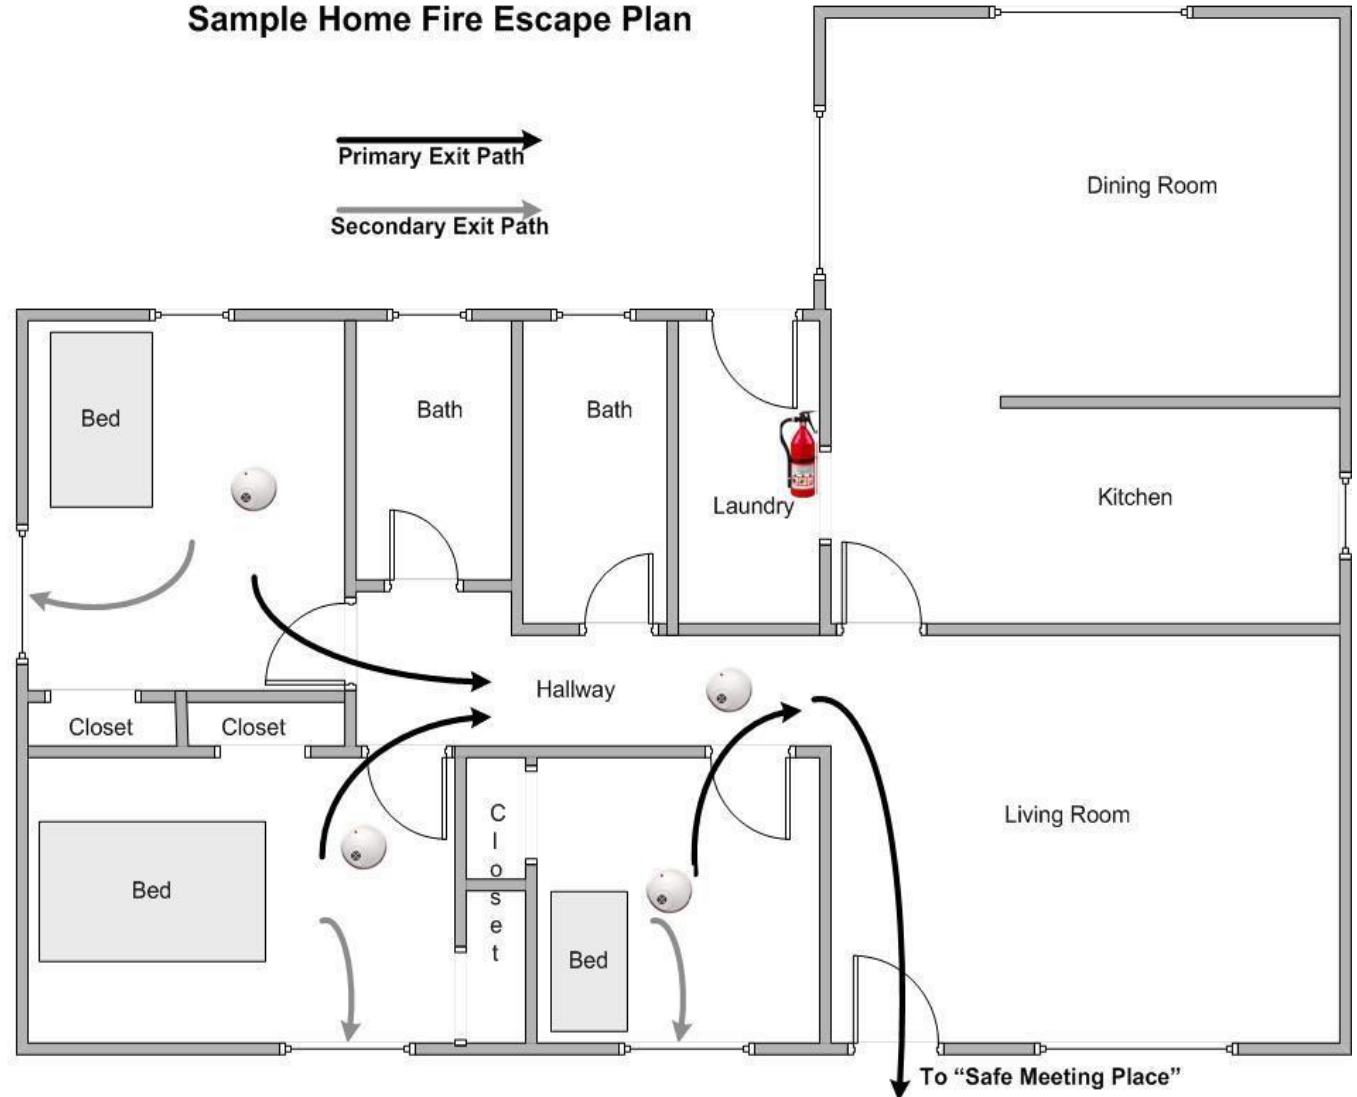

Step 2: Show two ways out of each room in case your main route is blocked by smoke or flames. Make sure windows can be opened easily.

Step 3: Designate an outside meeting place where every family member will wait for the firefighters to arrive.

Step 4: Practice your plan

Step 5: Once out, stay out! Don't go back inside for any reason.
