

# MEDFORD MUNICIPAL COURT TRAFFIC SCHOOL

Medford Municipal Court does offer a traffic school program. This is a good option if you are concerned about the conviction going on your driving record.

## TO QUALIFY FOR THE PROGRAM YOU MUST MEET THE FOLLOWING CRITERIA:

- You have been cited for a single moving violation that does not involve an accident.
- You have received no other moving violations or traffic crime charges in the last three years.
- You have not participated in another traffic school program anywhere in the last three years to keep a conviction off of your driving record.
- You have a valid non-commercial drivers license or permit.

If you qualify for the traffic school program and wish to participate, please submit your payment in the amount of the presumptive fine listed on your citation and mail it with this completed form. This must be received by your court appearance date. Once the court receives the traffic school request and your payment, it will be reviewed for approval. Upon approval, the traffic school information will be mailed to you.
