CITY CELEBRATES GRAND OPENING OF ROGUE CREDIT UNION COMMUNITY COMPLEX

Last month the City of Medford celebrated the grand opening of the Rogue Credit Union Community Complex (Rogue X).

The festivities kicked off with a ribbon cutting ceremony in front of the facility’s main entrance.

“Today’s grand opening marks a new era for the City and for the Parks and Recreation Department,” said Parks, Recreation and Facilities Director Rich Rosenthal. “Let’s celebrate this great achievement and continue to help discover what’s possible for decades to come.”

“Rogue X is a testament to the power of collaboration, innovation and community spirit,” said Mayor Randy Sparacino.

The ceremony was followed by the First Splash event, which was a unique opportunity that allowed ticket holders first use of the new aquatic and event center space for two hours.

Proceeds from the first splash event went to the Play Everyday Scholarship Fund, helping provide swim and recreation scholarships for the youth of Medford.

Rogue X is a \$76 million, 140,000-square foot recreation facility owned, maintained and managed by the City of Medford. The Rogue X contains a 76,000-square foot multi-purpose event center, an indoor recreation pool featuring two water slides, a 13-lane indoor competition pool, classrooms, an outdoor seasonal splashpad, and a food truck pod. There are 300 parking spaces immediately adjacent to the building and 530 in the immediate area.

Rogue X is situated in the heart of Howard Memorial Sports Park, a 54-acre community park in west Medford along Rossanley Drive and Ross Lane. When complete, the park will contain multiple sports fields and a playground.

Foothill Road from Cedar Links Drive to McAndrews Road Westbound ramp is closed until Summer 2024. This closure will allow contractors to rebuild and widen the road.

Detours using Cedar Links Drive to Springbrook Road to East McAndrews Road will be available. Local access will be available from Cedar Links Drive.

The work is part of the \$62 million Foothill Road project being constructed in part due to a \$15 million Federal Build Grant received by Medford. It improves Foothill Road from Delta Waters Road south to Hillcrest Road.

When complete at the end of 2026, the existing two-lane road will feature two lanes in each direction, along with turn lanes, sidewalks, bike lanes and street lighting.

Project information and current construction schedule (subject to change) is available at: FoothillRoadProject.org.
