CITY OF MEDFORD
A COMMUNITY DISCUSSION

CITYOFMEDFORD.ORG

City of Medford's Housing and Community Development Division invites you to join a community discussion to learn about what's being done to address rent burden in Medford, answer questions and collect feedback and ideas for future initiatives.

Join us on Tuesday, December 8, 2026, from 5:30-7:30 p.m. inside the Prescott Room located at 219 S. Ivy Street. Or attend on Zoom.

Over 25 percent of Medford's renter households are paying more than 50 percent of their income to cover the cost of their rent. This event will give community partners, stakeholders and residents the opportunity to learn about current and future efforts related to rent burden.

Feedback from this community discussion will be used to help guide City housing initiatives to address this challenge and will be shared with the Oregon Housing and Community Services Department in an effort to continue the progress our community is making to help address the issue of rent burden.

Please contact the Housing and Community Development Division at hcd@cityofmedford.org or 541-774-2380 if you have questions or are in need of translation assistance.
