

PUBLIC IMPROVEMENT PROJECT - INITIAL SUBMITTAL APPLICATION FORM

Project Name and Description:

Applicant Contact Information - Individual to receive emails from the ProjectDox program. Should be Engineer or an individual working directly with or for the Engineer.

Name _____ Email _____

Engineer Contact Information:

Name _____ Company _____

Phone Number _____ Email _____

Developer Contact Information: * (Important - The Developer is financially responsible for the project)

Name _____ Company _____

Address _____

Phone Number _____ Email _____

Land Development / Planning Number (ie: LDS-##-###):

Project Location - Address(s) and/or Taxlot(s):

PROJECT IS A SUBDIVISION

Make sure project name is correct and LDS number is provided above - no additional information required at this time.

THE ONLY IMPROVEMENTS REQUIRED ARE STREET LIGHT AND SIDEWALKS (CURBS ARE EXISTING)

Sidewalks can be permitted with the associated building permit, so if the only improvements required with a Development are street lights and sidewalks (curbs are existing), then **it is preferable to submit a "Street Light Only" public improvement plan**, and show the sidewalks on the associated building permit plan. A "Street Light Only" public improvement plan has a reduced review timeline and reduced fee. PLEASE INDICATE WHAT TYPE OF PLAN IS BEING SUBMITTED:

Street Light Only (Sidewalks on Building Permit)

Street Lights and Sidewalks

PROJECT IS NOT A SUBDIVISION, AND INCLUDES MORE THAN STREET LIGHTS AND SIDEWALKS

Select all that apply to this project:

New Public Street

Street Extension

Street/Frontage Improvements

Road Widening

Public Alley - New or Improvements to Existing

Turn Lane or Turn Pocket

Street Vacation

Intersection Improvements / Alterations

Major Striping Revisions

Other _____

Curb and Gutter, New or Grade Modifications
